I am writing you to let you know that I receive your mail, I am having a problem with the staff of Elmira Facility. You the only one that ever gave me a chance to tell my side of Abuse that I went through in the prison system, I cannot wait to get in your court room and tell how they allow officer J. Isaac to Abuse his Authority and Utilizing his Authority for his own purpose with retaliation and revenge. As of right now they are refusing me on the law library, As a prisoner must be free to exercise such right without fear of retaliation.

I am not that good with ~~the~~ ^{the} Privileged business, with your help could you request that the facility send me some Assistance. Cause like I said I don't know this legal business like most other people. You said I have 30 days to answer your Amended Complaint what that means I don't know but I'm going to try to have that in for you Sir. Could you please give me some time, I am not that good with the legal law.

9-29-2005 Plaintiff granted extension to October 31, 2005 to file an amended complaint. All papers filed with the court must bear the case number. Sincerely Yours
 assigned to the case on the paper shall be referred to.
